

Wine List

At Trèsind Studio, wine is more than an accompaniment — it is an extension of the experience. Our wine list has been thoughtfully curated to complement the cuisine we create, emphasizing balance, finesse, and emotion in every pairing.

With over 200 labels from across the world, the selection celebrates wines that speak of their origin and philosophy. The focus leans naturally toward Champagne and white wines, whose precision, minerality, and freshness resonate effortlessly with the flavours and textures of food.

For guests who prefer red wines, we offer a diverse range of styles — from delicate, savoury, and gracefully aged reds that harmonize with spice and nuance, to full-bodied, bold expressions for those seeking greater intensity. Wine pairing is, after all, a matter of perception — guided by personal preference as much as by philosophy.

Inspired by the Indian principle of “Atithi Devo Bhava” — the guest is God, our cellar reflects an inclusive approach to taste and tradition. Whether your journey leads you to a grower Champagne, a Grand Cru Burgundy, or a quiet discovery from Maharashtra, our sommelier team remains at your service to guide, interpret, and share in that moment of connection between glass and plate.
